OPELOUSAS CATHOLIC SCHOOL

Principal – Mrs. Marty Heintz 942-5404

Mission Statement:

St. Landry Catholic Church is a community of the faithful that serves God and our neighbors by coming to know and love more deeply Our Lord and Savior, Jesus Christ. This is accomplished through the study of Sacred Scripture and by practicing the traditions handed down to us, especially the seven sacraments. By the help of Jesus' Grace, we seek to imitate Him in His faith, hope and charity so that we can receive His gift of salvation in eternal life.

From the Desk of Msgr. Harrington...

Our Vacation Bible School begins on Monday, June 24th. What a wonderful ministry for the young members of our community! This is that time to explore the faith in a joyful, fun and prayerful atmosphere for our beloved children. This is that creative time to celebrate the wonders of the Sacred stories.

Ministering to children in this way is a blessing for all those involved. It is an energetic, enthusiastic station along the faith journey of the young. We are fortunate to be a part of it.

As a community we pray for our children, we commit our resources to lift them up to the Father. But this is not the only time we should be concerned for their development and education. The Second Vatican Council teaches that one of the primary duties of a parent is to teach their children the ways of the faith, the stories of our relationship with God and the church. An important part of our responsibilities as a community of the faithful is to assist and encourage this valuable aspect of the vocation of parenthood.

At a recent St. Landry Pastoral Advisory Council meeting, we discussed concerns over the few students in our religious education programs during the regular year. There were a number of students in the sacramental programs for First Penance/First Communion and Confirmation, but all other groups were very low. Some of the low enrollment is due to our Catholic school participation, which is a gift to the community, but that is not the only reason.

I think it is important for us to address this concern of participation in our religious education program. Toward the end of the summer, Deacon Joubert and I want to invite parents to be a part of a discussion to see how best we can develop a program or programs that will help parents fulfill their obligation to be the teachers of their children in the ways of the faith. We want to have a 'town hall' meeting of sorts to explore what parents need from us to encourage our young people to participate in education/formation programs. It is an important aspect of my role as pastor to address these concerns.

Please look in future bulletins and our website for when this meeting will be scheduled. I wanted to first introduce the topic to all of you, so we can begin the discussion informally and start to surface ideas among ourselves before we schedule an actual gathering. So please pray about it and reflect on it so that when we do meet there can be thoughtful and prayerful discussion. Our children deserve as much.

Let us pray for our young people, not only our future, but the grace-energy of our present. Scripture is quite clear that children lead us to the mysteries of the kingdom of heaven. Children lead us to the throne of God.

We pray for those during this week of Vacation Bible School, the staff and the children, that their experiences before the Lord be rich with joy and happiness. May their week be filled with the grace of a Father-Son-Spirit God who we heard just last week takes delight in the human race, takes delight in His children, takes delight in us.

READINGS FOR FAITH SHARING

Most Body & Blood of Christ

Gen 14:18-20 Over bread and wine the mysterious Melchizedek blessed the Lord..

Psalm 110 "You are a priest for ever, in the line of Melchizedek."

1 Cor 11:23-26 Every time we eat the Lord's body and drink his blood, we proclaim his life-giving death.

Luke 9:11b-17 The feeding of the multitudes.

When an event is especially important, we repeat it in the form of a ritual. It gives all the opportunity to participate while it heightens its significance. We see rituals in all three readings. From Melchizedek and Abram to Jesus and the multitudes, food is shared and God's blessing is invoked. Looking forward to today's celebration of the Eucharist, let us take note of the elements of this ritual in today's readings.

PRAYER FOR HURRICANE SEASON

O God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed your order and returned to its former quietude; you are still the Master of land and sea. We live in the shadow of a danger over which we have no control. The Gulf, like a provoked and angry giant, can awake from its seeming lethargy, overstep its conventional boundaries, invade our land and spread chaos and disaster. During this hurricane season, we turn to You, O loving Father. Spare us from past tragedies whose memories are still so vivid and whose wounds seem to refuse to heal with the passing of time. O Virgin, Star of the Sea, Our Beloved Mother, we ask you to plead with your Son in our behalf, so that spared from the calamities common to this area and animated with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to reach the heavenly Jerusalem where a storm-less eternity awaits us.
Amen.
